

Running Wild!!!

Art & Writing Workshops for Adults

Thursdays, October 12 - November 16, 2017 (11:00 - 1:00 PM)
\$20.00 a session—(Must register for at least 5 sessions for \$100.00)

Join Mickey Waring, artist and writer, for a dynamic weekly exploration of creativity. Our workshop series includes both visual arts and creative writing, combined in a variety of mediums -- collage, watercolor, drawing, art & nature journaling, book-making, poetry and more. Instruction will be given at the onset of each session, followed by lots of encouragement for the students to play and learn together in a supportive and nurturing environment.

Basic supplies are included, but there will be a suggested list of materials to purchase if you are thinking of attending several of the workshops. Let your imagination **run wild!!!**
